

Welcome to Court Yard Vending

Welcome, to Court Yard Vending. We are located in Scottdale, Pennsylvania. Our company offers full-service vending with state of the art equipment and competitive pricing that is sure to suit all of our clients needs and desires. Our mission is to continuously raise the standard in the vending industry by providing the best vending experience possible to our clients, their employees and patrons.

We do this by being:

• Customer-oriented:

We work individually with our clients to establish and effectively, custom-design a food management program. By catering to our clients' needs and desires we build positive, mutually beneficial relationships.

• Responsive

We are a flexible organization that works actively to create prompt solutions to our clients' questions, comments and concerns.

• Personable:

All of our employees, from the office personnel to the route attendants, are respectful, friendly and courteous.

• Convenient:

We are available within hours not days. We will respond within 24 hours for repair.

• Quality-oriented:

We stock only the freshest brand name products.

• Organized:

We run a tight ship - we know that organization is the key to running a business with professionalism and speed.

• Catering:

Catering is a viable segment of our food service program and is available to the customers and area serviced by Court Yard Vending.
